

2583-26914-001 UNIVERSAL DISPLAY MOUNT, POLYCOM MEDIA CART

Polycom Media Cart offers utilitarian functionality at an affordable price, without sacrificing style. Media Cart's unique design, robust structure, and ease of mobility makes it particularly well suited for educational, as well as government or medical environments; but is also styled to fit beautifully in any conference room. Media Cart plays a valuable role in enhancing the video conferencing experience, supporting most flat panel displays ranging up to 60" in size.

Features:

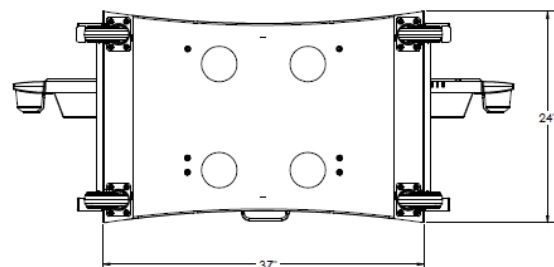

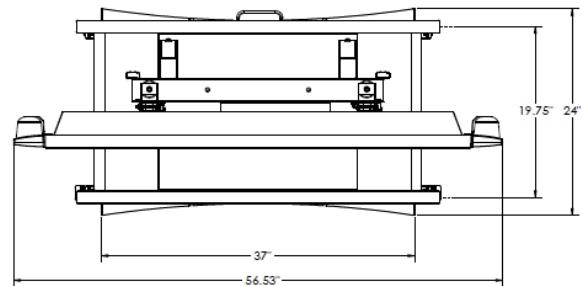

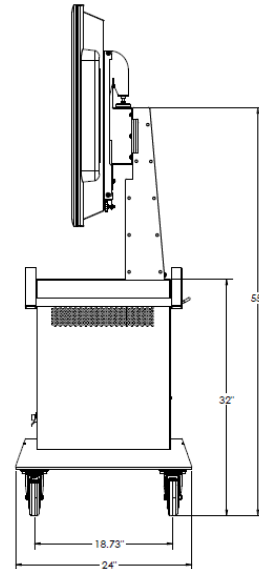

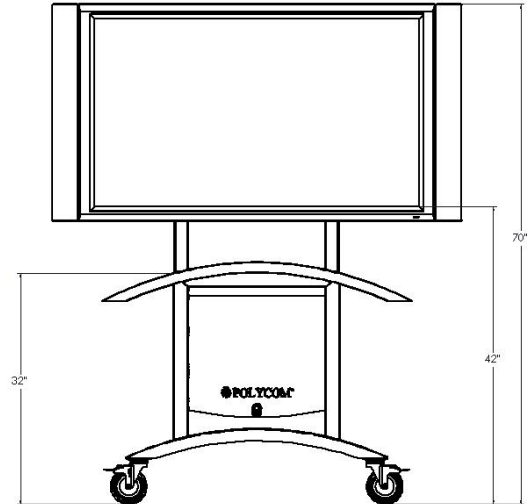

1. Large, ventilated storage case with 19" wide opening.
2. Curved base with ventilation system.
3. Three interior shelves (3U spacing) to accommodate DVD/DVRs and other AV equipment.
4. Cable management features.
5. Durable 5" casters (locking on front, non-locking on rear).
6. Lockable, smoked acrylic (IR transparent) front door with tilt-up/slide-in hinge mechanism, providing easy access to AV equipment and storage.
7. Removable rear door with screw retainer.
8. Universal Mount to facilitate a wide range of flat panel display offerings.
9. Monitor height can be adjusted within a 6" range.
10. Sturdy post and cross bar to hold dual 37" to 42" flat panel displays; or single 37" to 60" flat panel displays
